

Marrakech

ATB

That familiar sound, explains what I'm feeling
I'm both lost and found, never been there before

A ritual disgrace, Marrakech adventure

That familiar sound, explains what I'm feeling
I'm both lost and found, never been there before

That familiar sound, explains what I'm feeling
I'm both lost and found, never been there before

A ritual disgrace, Marrakech adventure
A ritual disgrace, Marrakech adventure

A ritual disgrace, Marrakech adventure
A ritual disgrace, Marrakech adventure

Don't tell me how I've even came to get here
Mysterious, everything I hold dear

That familiar sound, explains what I'm feeling
I'm both lost and found, never been there before

A ritual disgrace, Marrakech adventure
A ritual disgrace, Marrakech adventure

A ritual disgrace, Marrakech adventure
A ritual disgrace, Marrakech adventure

That familiar sound, explains what I'm feeling
I'm both lost and found, never been there before
Marrakech adventure
