```
Have you ever seen the fields of love?
Have you ever felt the seeds of love?
Have you ever seen the fields of love?
Have you ever felt the seeds of love?
The fields of love
The fields of love
The fields of love
The fields of love
Have you ever seen the fields of love?
Have you ever felt the seeds of love?
Have you ever seen the fields of love?
Have you ever felt the seeds of love?
The fields of love
The fields of love.
