

## Blue Blood

### Atrocity

Still being of Nobbly Birth  
Though having Oppressed the Earth  
Being better off than all  
Contrasting with the rabble  
Still crowning each other  
Insisting on the old manners  
Celebrating splendid feasts  
Representation of the states

Blue Blood Nobility  
Resist High Society !!!

Living in Gorgeous world  
Having money and much gold  
Stories in the gossip column  
Showing up in a high position  
Still possessing power and might  
Being proud of their descent  
Supported by the media  
The blind crowds cheer them

Blue Blood Nobility  
Resist High Society !!!

Pride - Class - Hatred - Opulence - Arrogance  
Take their jewels and their gold  
Occupy their castles  
Seize their landed property  
Drive aristocrats away  
Residing in a palace  
Wearing expensive clothes  
Peoples should be fascinated  
But appearances are deceptive  
Lies - Pulling Your Mind - Sham - Cheat

Blue Blood Nobility  
Resist High Society !!!
