

Blue Moon

Atrocity

remember the waves that come and go
I can smell the sea
I can taste the sky
The dream lives for the dream itself
And I talk to the moon
Blue moon
I should have better stayed at home
I wish I would be all alone
Disconnected for some years
All those tears

I should have better stayed at home
I wish I would be all alone
Disconnected for some years
All those tears
Remember the years
I didn't really miss you
Remember the tears
I can hear your voice
I can see your face
Remember the years
I didn't really miss you
Remember the years
Hello and goodbye
