

Deep In Your Subconscious

Atrocity

Lying there in a small crib
Naked and innocent
Just loosing my virginity
Only four years old
A menacing man above me
He's my own father!

My legs and arms are limp
Crushed by confusion
Lascivious eyes stare at me
I've never seen before
Musty smell in the air
Diffusing body odor

Feeling like a pig ravished and abused
Praying for my god
The old man with the long white beard

A hurting abdomen, a grieved soul
Tears are running from my eyes
I don't know what's going on
Cries, screams of despair
Fathers slaps in my face
"Shut up little cunt"

Feeling like a pig
Ravished and abused
Praying for my god
The old man with the long white beard

Satisfaction - father is groaning
Humiliation - treated like a shitheap
Observation - my brain is empty
Anxiety - father, never do it again!
Atrocity - fear in my eyes
Inbreeding - my body is diseased
Shame - mother won't be told
Some human beings are repulsive animals

After a while - the pain is over
Disgusting - full of serous mucus
Genitals - blood runs from my legs
An ugly smile - my father leaves the room
Misery - I'm feeling sick
Depression - I clasp Teddy in my arms
Loneliness - nobody who helps
Some human beings are repulsive animals

First you tried to repress
Then you established:
This nightmare will ever be
Deep in your subconscious
