

# Brachyura Bombshell

**Attack Attack!**

I just wanna feel alive  
I just wanna feel... alive

Save me the trouble and forget my name  
You claim to be authentic, but you're all the same to me  
Time will simply dispose of you  
And seed my immortality

I'm out of time  
Was I born to die?

I just wanna feel alive  
Not for the world to see  
Nobody else but me  
Cause I wanna feel it all  
The calm before the fall  
Is taking over me  
I just wanna feel alive  
I just wanna feel alive  
No matter what you say  
You'll never take that from me  
You'll never take that from me

I know you got a problem staying in line  
I'm doing me, doing me for the first time  
I've never felt so alive  
While I'm watching you rot from the inside

I just wanna feel alive  
Not for the world to see  
Nobody else but me  
Cause I wanna feel it all  
The calm before the fall  
Is taking over me  
I just wanna feel alive  
I just wanna feel alive  
No matter what you say  
You'll never take that from me  
You'll never take that from me

If there was ever a time  
Your word meant more than mine  
I'll show you the light  
There is no end in sight

I've never felt so alive  
I've never felt so... alive

I just wanna feel alive  
Not for the world to see  
Nobody else but me  
Cause I wanna feel it all  
The calm before the fall  
Is taking over me  
I just wanna feel alive  
I just wanna feel alive  
No matter what you say

You'll never take that from me  
You'll never take that from me  
You'll never take that from me  
You'll never take that from me
