

"We're on our own now people and alone we will rise above it all. People may not remember what we're gonna say here tonight but they sure as shit gonna remember what we do."

Now you're all chopped up, all chopped up, 666
Now you're all chopped up, all chopped up, 666
Now you're all chopped up, all chopped up, 666
Now you're all chopped up, all chopped up, 666
