

Rageaholics

Attila

Yeah we're just rebels without a cause
Coming straight from the capital of the south
FUCK YEAH!
Hotheaded and we can't deny a new adventure
Join or die because this shits about to get reckless
FUCK YEAH!
Take a look around welcome to my fucking city
Me and all my fucking goons we party hard stay shitty
Poppin bottles rolling blunts we never give a motherfuck
A-T-L-A-N-T-A this cities dope and rad as fuck bitch
were all just rageaholics

hey, were party addicts, rageaholics, diabolical badass
don't get it twisted just addicted to this lifestyle
(don't get it twisted let me hear you scream)

hey, fuck yeah official welcome to the rageaholics
start the party

take in a little at a time and you'll do just fine
if you can take it to another level on another night
we get trippy like some kinda delusion just understand that wer
e the shit

nobody gives a fuck
nobody gives a fuck
nobody gives a fuck
rageaholics unite
D-G-A-F fuck you
