

Cottonmouth

Audio Push

Ain't no drive-by's where we from, niggas hoppin' out
I done made it to that foreign thing from my momma couch
Smokin' tree, Arizona tea for the cottonmouth
Lot of fakes spoke up on my name but they not around
All the hotties drop it down, all the bodies droppin' down
So I'm slidin' low-key, bad vibes block 'em out
Fresh prince, foolish with the feet, when I'm poppin' out
Smokin' tree, Arizona tea for the cottonmouth

I stack that paper like a bible on arrival
Middle finger to the suckers in arrivals
You love to smash, I press record, man we go viral
Gucci bag with a link in her bio
Pull up and slay the streets, uh
My niggas play for keeps, yeah
Niggas are prey as the beef
I'ma come through and maintain the peace, whuu
I'ma hit all the freaks, yeah
I'ma get all the cheese
Don't care what you offer me
I gotta shine so you all can see
Get up off of me, 'cause

Ain't no drive-by's where we from, niggas hoppin' out
I done made it to that foreign thing from my momma couch
Smokin' tree, Arizona tea for the cottonmouth
Lot of fakes spoke up on my name but they not around
All the hotties drop it down, all the bodies droppin' down
So I'm slidin' low-key, bad vibes block 'em out
Fresh prince, foolish with the feet, when I'm poppin' out
Smokin' tree, Arizona tea for the cottonmouth

Alright it's cops on my head, it's ops on my head
If Trump had it his way, it'd be dots on my head
Pants down, put your main bop on my head
That would be the case but I'm on this guap shit instead
I been rollin', ten east rollin', ain't shit stolen
Yeah my license valid
Yeah ho I'm from Cali
Can't you tell by my voice, no choice
With my boys loud smokin' on that noise
Let her hit it one time from the west
The best, nigga yes
Tried to smoke it, 'til she chokin'
Then she felt it in her chest
Her eyes got big, she stopped tryna be cute
Started coughin', so I gave that girl water
'Cause your daughter's got cottonmouth

Don't smoke with us, if you can't smoke with us
Ain't no drive-by's where we from, niggas hoppin' out
Smokin' tree, Arizona tea for the cottonmouth
