

# Motherland

Audio Push

Check check check  
Yeah... drop  
Sick

It look, it look, it look like niggas finna have a good time  
Cause we don't really celebrate just elevate through hella hate  
You thick with yo' big fine... ass  
Hope you understand I been had it plan backhand still the upperhand  
Sorry, I'm just a bad motherfucker man  
Oh yeah, reporting love from the motherland  
Other than god, I'm up here and it ain't no others man  
Praying that he covers my family and my brothers

Hide after the summer, I'm not after your woman  
They had to be here stuntin' they not tellin' me nothing  
I had to get me something my girl left me for the friction  
And now I gotta show her she made the wrong decision  
I'll be back with the bag, trust a nigga vision come quick don't lag  
This right here is different I'll smack her in the ass look her in the eyes  
Let her know she'll never get bad dick alast from this young nigga  
Westside nigga, right side shake smack the left side nigga  
Keep it on time time tickin on they ass, keep it on time  
Yeah, this young nigga Westside nigga, right side shake smack the left side  
nigga  
Keep it on time time tickin on they ass, keep it on time  
It look like niggas finna have a good time

We always workin' never celebrate just elevate through hella hate  
You thick with yo' big fine... ass  
Hope you understand I been had it plan backhand still the upperhand  
Pardon me, I'm just a bad motherfucker man  
Black man reporting live from the motherland  
Other than god, I'm up here and it ain't no others man  
Praying that he covers me

They call me Price I'm in my skin comfortably  
Suicide missions when you some for me  
Smoke out the doubletree tribe the company  
Might run form the law never run from beef  
In my city some lose some succeed line 'em up none compete  
You ain't gotta front for me that money come with blood and greed  
I was broke ridin' around on bucket seats no lunch to eat  
So if I had the whole world you still couldn't get a fuck from me  
Been a rebel I been went where they said not to go  
Now I'm shinin' spreading all the love they forgot to show  
She love a nigga because I known for overcoming obstacles  
Roll that tropical

It look niggas finna have a good time  
Cause we don't really celebrate just elevate through hella hate  
You thick with yo' big fine... ass  
Hope you understand I been had it plan backhand still the upperhand  
Sorry, I'm just a bad motherfucker man  
Oh yeah, reporting love from the motherland  
Other than god, I'm up here and it ain't no others man  
Praying that he covers my family and my brothers
