

Never Gave Up

Audio Push

They said a good woman hard to find, I say it's true
God said that he would bring me mine, I think it's you
You said, huh, look

They said a good woman hard to find, I say it's true
God said that he would bring me mine, I think it's you
I smoke weed, that ain't your thing, but you don't judge a nigga
I ain't perfect, but I'm worth it, you still love a nigga
Yeah, we done been through everything, huh, hell and back
Thank God I never had to hit the cell and back
Thank squad, 'cause without 'em, couldn't get on the map
Now pray to God I can hold it on my back, picture that
5 9 on all ten toes, you chose
On road it was hoes
I'd raise, you'd fold
I couldn't blame you, 'cause the game changed to different tables
Niggas wouldn't try to rearrange it
But you still saw me
Still saw God
Up against all odds
Then we cut all ties
One hand, all rise
Nobody judge
'Cause in a world where they ain't givin' nobody love

Baby, you show me love
You show me love, yeah
You show me love
You show me love
Granny told me "cherish it, don't let it be a drug"
Always high, never gave up
Yeah, show me love
Show me love, yeah
Show me love
Show me love
Granny told me "cherish it, don't let it be a drug"
Always high, never gave up
Yeah, show me love

She ridin' passenger seat, when we hit the curb
I never made it 'bout me, it was his and hers
Kept all my songs on repeat, you ain't miss a word, nah
Stayed on your feet, when a nigga was on the come-up
Looked up to most of these rappers that I'm in front of
See when they had the shit crackin' they wouldn't front us (nah, they ain't do it)
Ain't show us love, now you watchin' the tables turn
I got homies that slid on , so I'm cold
But still showin' love where it's old
Slid a dub to the from the store
Pulled up on the homies and copped the O (Ey, let me get that)
Huh, real nigga waves
I put Jack with the plates
I bought Bobby Rays
I fucked up, she stayed
She forever gon' be bae
I locked that right down with the cuff

Took that down, goin' nuts
Hit the town, goin' nuts
Even when it got rough, you show me love

You show me love, yeah
You show me love
You show me love
Granny told me "cherish it, don't let it be a drug"
Always high, never gave up
Yeah, show me love
Show me love, yeah
Show me love
Show me love
Granny told me "cherish it, don't let it be a drug"
Always high, never gave up
Yeah, show me love
