

# Normally

## Audio Push

Normally I'm with my troops  
Normally I'm off the juice  
Normally I'm blowing strong  
Normally I'm in my zone  
Normally she rocking heels  
Night is right, she off a pill  
Normally I'm with my clique  
Normally we with the shits

It's Price ho, get to acting up  
You got ass? Back it up  
I been in the trenches, stacking up  
Can't go back to that Acura  
Even then I was accurate, it was cake that I had to get  
Went to work like a Spanish kid  
Had to fire the management, lit up the cannabis  
Then I got on that organic shit  
Can I get a witness? Can I get a witness?  
Running up a check now, financial natural fitness  
Keep bitches out your business, keep a woman by your side  
Don't mistake the two cause if you break the rules you could lose your life  
And that's the reason why

Look at boy we got it now  
You know the name get around  
Normally she ain't going down and normally I ain't in town  
She don't really take them pics, too much tree can't take a zip  
You taking notes, I take a trip  
She moving like she used to strip  
Don't stop, pop that, pop that  
It's your pussy, you can do what you want  
If you don't drop that, drop that  
It's somebody that'll do what you won't  
Cause you know that normally I'm tryna smoke  
You know that, normally she down to roll  
You know that normally I picture something freaky  
And normally she down to go, hahh

Normally I'm in my damn vibe  
Normally I got my hands high  
Normally I never say shit  
Normally ain't with the fake shit  
Normally I love a party  
Normally I got to party  
Normally I'm never basic  
Normally I let the bass hit
