We rise, we fall, we love
We do it all together
Make toast, spill drinks, live young
I want this life forever
Uuh-uh, uuh-uh, uuh-uh, uuh-uh

Rep Westside like Cube (Cube)
Same squad with a recruit (woah)

Too too real, I revealed all my truths

Hitting licks is too close to jail, now closing deals
I'd like to toast to those who said we s'pose to fail

We rise, we fall, we love
