

Throw It Back II

Audio Push

Hail mary, hail mary
On one, on one

It go one, two
I need to see if you know what to do
It's on sight, yeah get it right
When the boys drop this it's gonna be a long night
Hike throw it

Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back

Said I still like your shape girl and your frame girl
Ain't shit changed tell 'em keep the change girl
You about your dollars then we in the same world
You can do anything make sure you do your thing girl
Kill it, I'm a kill it like a thugger do
Look in the mirror like there'll never be another you
Oh you got ass shots, well I ain't judgin' you
Just make that ass drop, girl I'm lovin' you

Your best friend taught you how to twerk last night
Now you tryna try it out on a real nigga
Independent, tryna see what's the deal with ya
And I can tell you ain't missed no meals
She perceived to put her head down, make the back bend
Her white homegirl shakin' on my black friends
And now they all dancin' 'round Price
Black bitch tryna get hit, Ray Lewis on a blitz
Count me down

It go one, two
I need to see if you know what to do
It's on sight, yeah get it right
When the boys drop this it's gonna be a long night
Hike throw it

Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back

Gon' fuck it up to the ground pick it up
Got trees roll it up make your girl hold your stuff
She just wanna shake it, I just wanna taste it
"C'mon this my song nigga come and get this cake"
Eris out in Paris, shake it like a real pro

Can't shake, can't sex nigga everybody know
Spent it one time I bet everybody go
You think that's your girl but that's eveybody's hoe

Callin' all the bad woes, bring 'em out whoa
We ain't fuckin' from the intro, I'm outro
If the sex bad whoa I send 'em outro
Like the check bad whoa make 'em bounce oh
They ain't fuckin' with you, shawty you the coldest
Throw it back at me, act like you don't want it
I got this money on me, and I throw this shit
If you take it pop it sweep it mop it lift it move it shake it drop it

It go one, two
I need to see if you know what to do
It's on sight, yeah get it right
When the boys drop this it's gonna be a long night
Hike throw it

Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back

You didn't think we could do it again
Girl throw it back!
You need to shake like you tryna win
Girl throw it back!
Hike throw it

Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back
Back, back, back, back
