

# We Will Go

Audiovision

On the road again  
Playing for the Lord  
From town to town, show the burning flame  
We will rock the house  
Come on and sing along  
Lift up your voice for the living One

We will go all the way for the King of Rock and Roll  
Let the music talk and fill your soul  
We will go all the way for the King of Rock and Roll  
Let the music talk!  
We love to rock!

See the crowd enjoy  
Every second of our show  
Passion and fire for The Kings of Kings  
We love to rock  
Show the world living hope  
Lift up your voice for the living One
