

Lost

August Alsina

Settle down, settle down
I know that you ain't see me in a while
But that don't mean that we gotta rush
Baby, we can take our time, oh
Just touched down, touched down
But I ain't even tryna keep score
But tonight I think that we can get six, babe
Seven if you tryna go for it

Take off everything you got on
You can leave it on the side of the bed
Forget what you had your mind on
Baby, keep your playing on me instead
Down, down, down on the-
Only one place that we can go now
All the way to the top
Hitting your spot
'Til you say, "Boy, don't stop"

Let's get lost in it
Baby, can we just get lost in it?
Girl, I'm tryna break it off in it
And I wanna get you off plenty
Baby, can we just get lost in it?
Baby, can we just get lost in it?
Girl, I'm tryna break it off in it
And I wanna get you off plenty
You-ooh, lost in it
You-ooh, lost in it
You-ooh, lost in it
You-ooh, lost in it
You-ooh, lost in it
You-ooh, lost in it
You-ooh, lost in it
You-ooh, lost

We got time, so pace it
Tell you what I mean when I walk through
Now I'm right here in your face
Now I need you to show me what you gon' do
Bring them legs here, so you can wrap them 'em 'round my waist
I'ma start kissing all on your neck
We can do it here we don't need the bed, but first...

Take off everything you got on
You can leave it on the side of the bed
Forget what you had your mind on (Mind on, mind on)
Baby keep your playing on me instead
Down, down, down on the- (Down on the-)
Only one place that we can go now (Go)
All the way to the top (All the way)
Hitting your spot
'Til you say, "Boy, don't stop"

Let's get lost in it
Baby, can we just get lost in it?
Girl, I'm tryna break it off in it

And I wanna get you off plenty
Baby, can we just get lost in it?
Baby, can we just get lost in it?
Girl, I'm tryna break it off in it
And I wanna get you off plenty
You-ooh, lost in it
You-ooh, lost in it
You-ooh, lost in it
You-ooh, lost in it
You-ooh, lost in it
You-ooh, lost in it
You-ooh, lost in it
You-ooh, lost
You-ooh, lost
