AURORA

Am I home? Mmm

Mmm, mmm (Ooh, ooh)
Mmm, mmm (Ooh)
Oh, ah
Mmm, mmm
Am I, am I, am I?
(Am I?) Hello?
Am I, am I, am I?
(Eh, am I?)
You are home
You are home, hmm
(Omega hai foleet, omega hai foleet)
(Omega toneca, omega for let in)
You are home, you are home
(Omega hai foleet, omega hai foleet)
(Omega toneca, omega for let in)
In it, the world will not hurt
The good ones always die
So that is why we bring them here
Now you are home
