

# Soulless Creatures

AURORA

Never knew this curious head of mine  
Never knew what is love if kept inside  
Nothing but an endless, empty heart  
Like laying a seed within the dark

Give me a piece of your heart, of your heart  
Give me a piece of your hands as we go

I wouldn't mind if I can't find, I can't find  
Anything to save our kind  
All the pieces of my body's gone  
Look at me now, don't tell me how I feel inside  
Every pieces that I've lost, I have loved

Come, my wonders, after dawn restores  
Waiting for the world to turn once more  
Listening to the deep magnetic sound  
Hunting for a victim, lying down

Come back to me after peace restores  
Soulless creatures

Fearsome hearts, I wouldn't lie  
I got memories that travels my mind  
Fear not, fear not when you go  
I got pieces of your hate in my soul  
Look at me now (Look at me now)  
I'm falling apart in daylight  
All the pieces that I've lost, I have loved

Eh-eh-ah, eh-eh-ah, oh-eh-ah, oh  
Eh-eh-ah, eh-eh-ah, oh-eh-ah  
Eh-eh-ah, eh-eh-ah, oh-eh-ah  
Ah  
Heya, oh, hey  
Heya, oh, hey  
Heya, hey, oh

I wouldn't mind if I can't find, I can't find  
Anything to save our kind  
All the pieces of my body's gone  
Look at me now (Look at me now)  
I'm falling apart in daylight  
All the pieces that I've lost, I have loved

Look at me now (Look at me now)  
I gave both sides of me  
I give both sides of me  
I give both sides of me, oh
