

Waiting

Australian Crawl

Waiting
Such a long, long time
Waiting for my time to turn

You don't know how I feel

Together
Forever
Saving all my lovin' for you

You don't know how I feel

Gotta find love, love, love

Waiting (waiting)
Forever (forever)
Waiting for some peace of mind

You don't know how I feel

Gotta find love, love, love
(You know I need some) love, love, love
