

All I Own

Autograph

I'd give up all I own
I'd write a 1000 songs
About you, without you
I just cannot go on

If I told you that I'd let you go then I'd be a liar
If I told you that I didn't need you I'd be a fool
If you'd ask if I would be there for you forever
I couldn't help to assure you baby that is the truth

The only one in my sight
The only star in the sky
You are the love of my life

I'd give up all I own
I'd write a 1000 songs
About you, without you
I just cannot go on

What if I told you my life would be emptiness without you
If I told you that I see the future in your eyes
If you told me that you wouldn't take my heart and left me
I couldn't help to assure you baby that I'd wanna die

The only one in my sight
The only star in the sky
You are the love of my life

I'd give up all I own
I'd write a 1000 songs
About you, without you
I just cannot go on

No no
I can never understand why people do the things they do
Yeah, I guess it's human nature
I would never let you down never wanna see you cry
I just can't get you off, can't get you off my mind no no

I'd give up all I own
I'd write a 1000 songs
About you, without you
I just cannot go on

I'd give up all I own
I'd write a 1000 songs
About you, without you
I just cannot go on
