

# Thrill Of Love

Autograph

Waaaaaahhhhhoh, Uh

Two hearts on a hot night  
And the sting of cupid's bite  
Sweet words and loose lips  
Desire born with fingertips

This is the magic moment  
Chemistry at it's best  
Try not to lose the feeling  
Try not to lose  
Your precious thrill  
Feel the thrill, thrill of love  
You gotta feel the thrill  
Thrill of love  
Oooohhh yeah

It's an ageless recipe  
Human equation A plus B  
At the touch of skin on skin  
A chain reaction does begin

This is the magic moment  
Chemistry at it's best  
Try not to lose the feeling  
Try not to lose  
Your precious thrill  
Feel the thrill, thrill of love  
You gotta feel the thrill  
Thrill of love  
Come on and feel the thrill  
Thrill of love  
Oooohhhh

Feel the thrill, thrill of love  
You gotta feel the thrill  
Thrill of love  
Come on and feel the thrill  
Thrill of love  
Ooh feel the thrill  
Thrill of love
