

## All About It

Avail

Why can't we  
Put our white pride aside?  
Why can't we  
Forget who's black by demand?  
Why can't we  
Overcome our hatred?  
Why can't we  
Relize what we're wasting?

We've got to  
Push it  
We've got to be  
Together

Why can't we  
Ignore what they're teaching?  
Why can't we  
Try not to teach the same?  
Why can't we  
Accept what needs to be done?  
Why can't we stop running away?

We've got to push it together
