

# Wild Places I

## Avalanche City

Oooh oh  
Ooh ooh ooh  
Oooh oh  
Ooh ooh ooh

You always dance  
You always fall  
Feet first to the ground  
Fast from off of the floor

Oooh oh  
Ooh ooh ooh  
Oooh oh  
Ooh ooh ooh

You always love  
Like you've never been hurt  
Your eyes shine into mine  
And wipe off all of the dirt

Oooh oh  
Ooh ooh ooh  
Oooh oh  
Ooh ooh ooh

So tell me what you need  
To get you closer to me

Oh  
Come and take me to the wild places  
Oooh oh  
Ooh ooh ooh  
Come and take me to the wild places

Oooh oh  
Ooh ooh ooh  
Oooh oh  
Ooh ooh ooh  
Oooh oh  
Ooh ooh ooh

You always say I've been  
Held back  
My feet are falling behind  
I've come off of the track  
But I couldn't see  
Oh this  
View is clear  
The bright is so much brighter  
when you are here

Oooh oh  
Ooh ooh ooh  
Oooh oh  
Ooh ooh ooh

Come and take me to the wild places

Ooh oh  
Ooh ooh ooh  
Come and take me to the wild places  
Ooh oh  
Ooh ooh ooh  
Ooh oh  
Ooh ooh ooh  
Ooh oh  
Ooh ooh ooh

So tell me this is not the last time  
Our love is the best  
Oh  
So tell me I've got a place here  
To promise me less  
Woah oh  
You are my first and my last lie  
I'm dying to be on your mind  
So be light It'll lead me  
and it'll be alright

Oh  
Come and take me to the wild places  
Oh  
Come and take me to the wild places  
Oh  
Come and take me to the wild places  
Ooh oh  
Ooh ooh ooh  
Come and take me to the wild places  
Ooh oh  
Ooh ooh ooh  
Ooh oh  
Ooh ooh ooh  
Ooh oh  
Ooh ooh ooh
