Give It Up

Avalon

Dream a little dream, dream a little while Remembering a day when you were wide-eyed Gave the Lord your heart, gave Him all your soul Slowly you have taken back control

Now you're somewhere in between Your new world and your old routine

Dream a little dream, dream a little while Dream with me of how you think it might be

To give Him all of your heart (Give it up, give it up) Give Him all of your life (Give it up, give it up) Give Him all of your soul (Give it up, give it up) Give it up, give it up, oh

Na na

Your choice is black or white, not a shade of gray Because in love there's no such thing as halfway Devotion can't be swayed, emotions can't be torn He'd rather we be hot or cold than lukewarm

Bring us Father all your soul There's freedom in the letting go

Pray a little prayer, Dream a little dream Dream with me of how you think it might be (Yeah)

To give Him all of your heart (Give it up, give it up) Give Him all of your life (Give it up, give it up) Give Him all of your soul (Give it up, give it up) Give it up, give it up, oh

Na na

Ah ah ah (Give it up, give it all up, heart and soul) (Give it up, give it up, give it all up) Give Him all of your heart (Give Him all your heart) Give Him all of your life (Give it up, give it up) Give Him all of your soul (Give it up, give it up) (Give Him all your soul)

Give Him all of your heart (Give it up, give it up) Give Him all of your life (Give it up, give it up) Give Him all of your soul (Give it up, give it up)

Give it up, give it up (Give it up, give it up) Give it up, give it up, oh

Give Him all of your heart (Give Him all your heart) Give Him all of your life (Give it up, give it up) Give Him all of your soul (Give it up, give it up) (Give Him all your soul)
