feeling like lost in space to roam forever

I'm crawling down
The doorway to the badlands
And kicking down

Are you heard: it's to the black
and all the damage
fading in the oblivion mirror
When the demons
are calling me, their dragging me away

How could I know?, how could I know?
That I'll get lost in space to roam forever

How could I know?, how could I see?
feeling like lost in space to roam forever
