

## For the Swarm

Avatar

Gotta go work, work, work, work, gotta work  
Gotta go work, work, work, work, gotta work  
Gotta go work, work, work, work, gotta work  
Busy, busy, there's so much to do here

Gotta go work, work, work, work, gotta work  
Gotta go work, work, work, work, gotta work  
Gotta go work, work, work, work, gotta work  
I must fly!

So the day begins  
All assigned a role  
For the greater good  
A thousand eyes don't see themselves

Gotta go work, work, work, work, gotta work  
Gotta go work, work, work, work, gotta work  
Gotta go work, work, work, work, gotta work  
Busy, busy, there's so much to do here

Gotta go work, work, work, work, gotta work  
Gotta go work, work, work, work, gotta work  
Gotta go work, work, work, work, gotta work  
I must fly!

So the day begins  
All assigned a role  
For the greater good  
For the sisterhood

So the day begins  
All assigned a role  
For the greater good

A thousand voices for The Swarm!  
For The Swarm!  
For The Swarm!  
For The Swarm!  
For The Swarm!  
For The Swarm!
