

Brompton Cocktail

Avenged Sevenfold

Em C G D

Em

Out of time...

Em C G D

Doc, I'm dying,

Em C

I'm feeling compromised (feeling compromised)

G D

and so dehumanized (and so dehumanized)

Em C G D

I lost my final fight to disease, I feel that this is where it ends

Em C G D

I need that shot to enter my vein, My Brompton Cocktail blend

Em C G

'Cause I can't feel my face

D Em

I won't struggle on

C G

In a world so cold

D

In a world so wrong

Em C G D

I'm not running away, been fighting this so long (so long)

Em C G D Em

Such a price that we pay, we gotta be so strong - in a lie...

G D Em C

I'm tired, induced euphoria (induced euphoria)

G D

to help me move along (help me move along)

Em C G D

I wanna meet my maker in peace, i want to feel alive again

Em C G D

So put that smile back on my face and mix it strong my friend

Em C G

'Cause I can't feel my face

D Em

I won't struggle on

C G

In a world so cold

D

In a world so wrong

Em C G D

I'm not running away, been fighting this so long (so long)

Em C G B7

Such a price that we pay, we gotta be so strong

E2 C2 G D2

And I take my life tonight 'cause I have the right to die how I wanna

E2 C2 G D2

and leave how I arrived, so alive

C2

E2

I believe my sins have been forgiven
C2 **D3** **E2**
 and I believe my choice will save me from this life
C2
 please don't question why
E2
 my sins have been forgotten
C2 **D3** **B**
 I believe I'll find peace in afterlife
E2
 please don't question why - I left this way

Em **C** **G**
 'Cause I can't feel my face
D **Em**
 I won't struggle on
C **G**
 In a world so cold
D
 In a world so wrong

Em **C** **G** **D**
 I'm not running away, been fighting this so long (so long)
Em **C** **G** **B7**
 Such a price that we pay, we gotta be so strong
E2 **C2** **G** **D2**
 And I take my life tonight 'cause I have the right to die how I wanna
E2 **C2** **G** **D2**
 and leave how I arrived, so alive

E2
 (Alive)
