

## Burn It Down

Avenged Sevenfold

Jealousy's an ugly word, but you don't seem to care  
Converse behind my back, but now I'm here  
Need no one to comply with me though everyone that I defeat  
Don't need you, fuck camaraderie, this rage will never go away

Hatred, fuels, my blood, I'll burn ya down (you can't help me)  
One king to watch the horsemen fall, I'll fight 'til the end (I  
won't help you)  
I can't trust anyone, see it in my eyes  
Now I can understand, it's sorrow that feeds your lies

You're on my back when the water gets too deep for you to breathe  
A crutch for you that won't always be there  
Hide in the dark another day, the fear in you is here to stay  
So get the fuck away from me, and learn to trust the words I say.

Hatred, fuels, my blood, I'll burn ya down (you can't help me)  
One king to watch the horsemen fall, I'll fight 'til the end (I  
won't help you)  
I can't trust anyone, witness and see it in my eyes  
Now I can understand, put faith in you for the last time  
It's sorrow that feeds your lies

Run from me before I tear you down (be afraid)  
You chose the wrong side (it feels so right)  
I won't help you, let you rot away  
Run towards the light exposing your soul (we won't be there by  
your side)  
Salvation's dying (somebody's crying)  
We're all gone in the end, sweet child we'll miss you  
No, so far away

I can't trust anyone, witness and see it in my eyes  
Now I can understand, put faith in you for the last time  
It's sorrow that feeds your lies

Falling away, can't buy back time  
Burned it down anyways
