

So Far Away

Avenged Sevenfold

Em

Never been for anything

Em

Never chained but never free

G

D

I lied to heal the broken love

Bm

C

With all that it could

Em

Live the life so endlessly

Em

Saw beyond what others see

G

D

I tried to heal your broken heart

Bm

C

With all that I could

C

Will you stay

D

Will you stay away forever?

Em

G

How do I live without the ones I love?

Am

Em

D

Time still turns the pages of the book, it's burnt

Em

G

Facing times always on my mind

Am

C

D

I have so much to say but you're so far away

Em

Means a war of futures hold

Em

Foolish lies of grown and old

G

D

And seems we're so invincible

Bm

C

The truth is so cold

Em

A final song, a last request

Em

A perfect chapter laid to rest

G

D

Now and then I try to find

Bm

C

The place in my mind

C

Where you can stay?

D

You can stay awake forever!

Em

G

How do I live without the ones I love?

Am **Em** **D**
 Time still turns the pages of the book, it's burnt
Em **G**
 Facing times always on my mind
Am **C** **D**
 I have so much to say but you're so far away

 Sleep tight
C
 I'm not on pray
Am **Em**
 The ones that we love are here with me
E
 Lay away
C
 A place for me
D
 'Cause as soon as I'm done
C
 I'll be on my way
D
 To live eternally

E **C** **Am** **Em**

Em **G**
 How do I live without the ones I love?
Am **Em** **D**
 Time still turns the pages of the book, it's burnt
Em **G**
 Facing times always on my mind
Am
 And the light you let remains
C **D**
 But it so hard to stay
Am **C** **D** **Em**
 And I have so much to say and you're so far away

 I love you

 The pain stroke in dark spines
Em
 But I see you

 An it lets me
Am **G** **D/F#** **Em** **D** **C**
 Your pain is gone on hands of time

 So far away (And I need you to know)

 So far away (And I need you to need you to know)
