"I wish I could be the one,
Ami **F** **G**
the one who won't care at all
Ami **F** **G**
But being the one on the stand,
Ami **F** **G** **F**
I know the way to go, no one's guiding me.
Ami **F** **G**
When time soaked with blood turns its back,
Ami **F** **G** **Ami**

Break all your promises,
F
tear down this steadfast wall,

G

restraints are useless here,

Ami

tasting salvation's near.
