

Burn

Avery

We, we dont have to worry bout nothing
Cause we got the fire, and we're burning one hell of a something
They, they gonna see us from outer space, outer space
Light it up, like we're the stars of the human race, human race

When the lights started out, they dont know what they heard
Strike the match, play it loud, giving love to the world
We'll be raising our hands, shining up to the sky
Cause we got the fire, fire, fire, yeah we got the fire fire fire

And we gonna let it burn burn burn burn
We gonna let it burn burn burn burn
Gonna let it burn burn burn burn
We gonna let it burn burn burn burn

We don't wanna leave, no, we just wanna be right now
And what we see, is everybody's on the floor acting crazy getting low go til
l the
lights out
The music sounds, I'm waking up, we fight the fire then we burn it up
And it's over now, and we've got the love and we're sleeping now sleeping no
w

When the lights started out, they don't know what they heard
Strike the smash, play it loud, giving love to the world
We'll be raising our hands, shining up to the sky
Cause we got the fire, fire, fire, yeah we got the fire fire fire

And we gonna let it burn burn burn burn
We gonna let it burn burn burn burn
Gonna let it burn burn burn burn
