

Neverending

Aviators

This is my escape
I'm running through this world
And I'm not looking back

'Cause I know I can go
Where no one's ever gone
And I'm not looking back

But how will I know when I get there?
And how will I know when to leave?
We've all got to start from somewhere
It's right there for me
The possibilities are neverending

I see it, I see it
And now it's all within my reach
Endless possibility
I see it, I see it now
It's always been inside of me
And now I feel so free
Endless possibility

And so we'll carry on
My time to shine has come
I feel it

As fast as I can go
Straight to the top I'll go
You'll see it
You'll see it

So please wake me up when I get there
It feels like I'm lost in a dream
I know in my heart that it's my time
I already see
The possibilities are neverending

I see it, I see it
And now it's all within my reach
Endless possibility
I see it, I see it now
It's always been inside of me
And now I feel so free
Endless possibility

Drop n' Stop
'Cause you've proven again
This is where my journey begins

You'll losing speed, losing flow
Inside is a power you'll never know

Let it out, it's inside you
Better all step back, 'cause I'm coming through
Through

I see it, I see it

And now it's all within my reach
Endless possibility
I see it, I see it now
It's always been inside of me
And now I feel so free
Endless possibility

I see it, I see it
And now it's all within my reach
Endless possibility
I see it, I see it now
It's always been inside of me
And now I feel so free
Endless possibility

The possibilities are neverending
