

The Nights

Avicii

Once upon a younger year
When all our shadows disappeared
The animals inside came out to play

Went face to face with all our fears
Learned our lessons through the tears
Made memories we knew would never fade

One day my father, he told me
"Son, don't let it slip away"
He took me in his arms, I heard him say
"When you get older
Your wild heart will live for younger days
Think of me if ever you're afraid."

He said, "One day you'll leave this world behind
So live a life you will remember."
My father told me when I was just a child
These are the nights that never die
My father told me

When thunder clouds start pouring down
Light a fire they can't put out
Carve your name into those shining stars

He said, "Go venture far beyond the shores.
Don't forsake this life of yours.
I'll guide you home no matter where you are."

One day my father, he told me
"Son, don't let it slip away."
When I was just a kid I heard him say
"When you get older
Your wild heart will live for younger days
Think of me if ever you're afraid."

He said, "One day you'll leave this world behind
So live a life you will remember."
My father told me when I was just a child
These are the nights that never die
My father told me

These are the nights that never die
My father told me

Hey, hey
My father told me
