Runaway

Avril Lavigne

Got up on the wrong side of life today, yeah Crashed the car and I'm gonna be really late My phone doesn't work 'cause it's out of range Looks like it's just one of those kind of days

You can't kick me down I'm already on the ground No, you can't 'cause you couldn't catch me anyhow Blue skies but the sun isn't coming out, no Today it's like I'm under a heavy cloud

And I feel so alive I can't help myself, don't you realize

I just wanna scream and lose control Throw my hands up and let it go Forget about everything and runaway, yeah

I just want to fall and lose myself Laughing so hard it hurts like hell Forget about everything and runaway, yeah

So so's how I'm doing if you're wondering I'm in a fight with the world but I'm winning Stay there, come closer it's at your own risk Yeah, you know how it is life can be a bitch

I feel so alive I can't help myself, don't you realize

I just wanna scream and lose control Throw my hands up and let it go Forget about everything and runaway, yeah

I just want to fall and lose myself Laughing so hard it hurts like hell Forget about everything and runaway, yeah

Runaway, runaway Runaway, runaway Runaway, runaway Runaway, runaway

I just wanna scream and lose control Throw my hands up and let it go Forget about everything and runaway, yeah

I just want to fall and lose myself Laughing so hard it hurts like hell Forget about everything and runaway, yeah

I just wanna scream and lose control Throw my hands up and let it go Forget about everything and runaway, yeah

I just want to fall and lose myself Laughing so hard it hurts like hell Tištěno z pisnicky akordy cz Forget about everything and runaway, yeah ^{Sponzor: www.srovnavac.cz - vyberte si pojištění online!}
