

# Souvenir

Avril Lavigne

Yeah yeah, yeah yeah  
Yeah yeah, yeah yeah, yeah yeah  
Yeah yeah, yeah yeah  
Yeah yeah, yeah yeah, yeah yeah

Say, say what you want, just don't say that you're leaving  
I hope this summer breeze will last more than a season  
Will you write to me? In time, we'll see  
Maybe spend your whole life with me  
We've packed our suitcases, we've shut up all the windows  
Hold tight, soon you and I flow anywhere the wind blows  
So make life to me, hold tight to me  
Stay awake the whole night with me

Can I keep you as a souvenir?  
Can I take your shirt to dry my tears?  
Can I meet you here this time next year?  
Can I keep you as a souvenir?  
We could take a chance and disappear  
We could run away, get outta here  
Can I keep you as a souvenir?  
Wish you were here

I taste salt in the air and in your sweater that I sleep in  
I dream of us riding bikes at sunset by the ocean  
Those were giddy days, lazy days  
Sipping rosé, time to waste (Sipping rosé, time to waste)

Can I keep you as a souvenir?  
Can I take your shirt to dry my tears?  
Can I meet you here this time next year?  
Can I keep you as a souvenir?  
We could take a chance and disappear  
We could run away, get outta here  
Can I keep you as a souvenir?  
Wish you were here

Yeah yeah, yeah yeah  
Yeah yeah, yeah yeah, yeah yeah  
Souve-souvenir  
Yeah yeah, yeah yeah  
Yeah yeah, yeah yeah, yeah yeah

And if I leave here, you're comin' with me  
If you leave here, I'm goin' with you

Can I keep you as a souvenir?  
Can I take your shirt to dry my tears?  
Can I meet you here this time next year?  
Can I keep you as a souvenir?  
We could take a chance and disappear  
We could run away, get outta here  
Can I keep you as a souvenir?  
Wish you were here
