

I'm a Wreck

AWOLNATION

I am in my head forever more
I am in my head
I am in my head forever more
I am in my head

Run run I'm a reckless wrecking ball
Oh my, what the heck
Don't worry it's nothing personal
Sometimes I'm a wreck

I am in my head forever more
I am in my head
I am in my head forever more
I am in my head

Run run I'm a reckless wrecking ball
Oh my, what the heck
Don't worry it's nothing personal
Sometimes I'm a wreck

Baby, baby, baby
Midnight in the park
My eyes have adjusted
Now I can see in the dark

Fake motherfucker
You know who you are
Terrible actor
You know who you are

You fuckin fake motherfucker
You know who you are
I can't take it anymore
You know who you are

Go
Fuck
