Please, please let me know
It's just a tall, tall tale
In a tall, tall tale
Give grace to the host
It's just a tall, tall tale
In a tall, tall tale
It's just a tall, tall tale
In a tall, tall tale
In a tall, tall tale

Be bold, black and bald
She need to fall and fail

Hey god, steal the show
It's just a tall, tall tale
In a tall, tall tale
It's just a tall, tall tale
In a tall, tall tale

My, my, my, my look at what we have here Look at what we have here
My, my, my look at what we have here
Look at what we have here

Bang, bang rope-a-dope
It's just a tall, tall tale
In a tall, tall tale
Go 'head, steal my ball
It's just a tall, tall tale
You're just a... punk
