

# Until The End

Axis of Justice

No one knows who gave the orders  
No one asks about the crime  
No one looks behind the curtain  
No one questions why  
The only time we got  
Is right about now  
I cross my heart  
I take the vow

I'll never turn  
I'll never turn  
I'm with you now  
Until the end

Tonight's the lest  
Tonight's the time  
I am the punishment  
That fits the crime  
I'll break the bricks  
I'll pick the locks  
I don't got nothing  
But I'll give what I got

I'll never turn  
I'll never turn  
I'm with you now  
Until the end

Ton trials whose outcomes  
All fixed from the start  
Nine judges sitting counting  
Their money in the dark  
Eight towers of iron  
Surround the desert town  
On a cold December morning  
Seven martyrs knocked them down  
Six fathers still waiting  
For their sons to come home  
Five mothers who know better  
And accept that they're gone  
Four years I've been hunted  
Still I shot the sheriff  
And did not spare the deputy

Two prayers I'm praying  
Until we're together  
One promise I'm keeping  
Tonight and forever

I'll never turn  
I'll never turn  
I'm with you now  
Until the end
