

# Take me far away

Axxis

Sometimes my life is like a storyboard  
A book of things, somebody else wrote  
I feel controlled with every move I make  
It's like a Deja vu or am I awake?

The burden of my life - it's left behind  
I gotta get away - no matter what I find  
Feel the overwhelming moment  
When you free your mind

Chorus:

Take me far away  
Beyond the blue horizon  
Take me far away  
Let me go my way to you

A set of many rules - I've self-imposed  
Was like a prison for my soul that I enclosed  
I gotta get away from all that's left  
I gotta break my cage in which I was pressed

For now head up and I stay strong  
I fake a smile - then I move on  
Feel the overwhelming moment  
When you free your mind

Chorus:

Take me far away  
Beyond the blue horizon  
Take me far away  
Another day is dawning  
Love will find a way

Solo

Chorus:

Take me far away  
Take me far away  
Take me far away  
Beyond the blue horizon  
Take me far away  
Another day is dawning  
Let me go my way
