

The Predator

Ayah Marar

Like a man of few friends
At the deep end
Gets me thinking 'bout this time I spend
On my own
All alone
I'm a mess it's so bad
And it's so sad
Smiley happy people make me mad
So cold
I feel so cold

But I care that nobody knows what I'm thinking
And I'm scared 'coz nobody cares if I laugh or if I
cry

I'm angry all the time
That's why I'm angry all the time
I'm angry all the time
That's why I'm angry all the time

If you were to stand in my shoes
Live out my blues
Bet you'd set alight the shortest fuse
So soon, oh so soon
I find it a chore to smile
Is it worthwhile
People say I'm way too hostile
It's so true, oh so true

But I care that nobody knows what I'm thinking
And I'm scared 'coz nobody cares if I laugh or if I
cry

I'm angry all the time
That's why I'm angry all the time
I'm angry all the time
That's why I'm angry all the time

Coming like a monster
Predator
Creeping up behind ya better run run run
Coming like a monster
Predator
Creeping up behind ya better run run run
Coming like a monster
Predator
Creeping up behind ya better run run run
Coming like a monster
Predator
Creeping up behind ya better run run run

But I care that nobody knows what I'm thinking
And I'm scared 'coz nobody cares if I laugh or if I
cry

I'm angry all the time
That's why I'm angry all the time

I'm angry all the time
That's why I'm angry all the time
