

If tomorrow I'd have to go
There'd be a few things I'd want you to know
Like how much I love you and how much I'll regret
Not having told you when I had the chance

Tell me why can't we say what we truly feel and have on our minds
Tell me why can't we be who we really are and swallow our pride
Tell me why can't we say what we truly feel and have on our minds
Tell me why do we waste time

If tomorrow you'd have to go
Would there be anything you'd want me to know
Would you tell me that you love me and that you'll regret
Not having told me when you had the chance

Tell me why can't we say what we truly feel and have on our minds
Tell me why can't we be who we really are and swallow our pride
Tell me why can't we say what we truly feel and have on our minds
Tell me why do we waste time

What if I repent (What if I)
What if I reach out my hand (Reach out my)
Would you forgive me (Would you)
Would you be my friend (Be my friend)

What if I repent (What if I)
What if I reach out my hand (Reach out my)
Would you forgive me (Would you)
Would you be my friend (Be my friend)

Tell me why can't we say what we truly feel and have on our minds
Tell me why can't we be who we really are and swallow our pride
Tell me why can't we say what we truly feel and have on our minds
Tell me why do we waste time

Would you tell me why?
Why?
