Sosa

Minolta devil exposure wide lens view Check for dentals and niggaz next to push tha Benz through You know the glow iced out rings long dough Spandex Mossino hoe bitches lettin' they ass show

I play the game took plenty paper still remain the same Asian name bevel length chain lettin' my piece hang Domestic no more crime play but still connected It's ethics calculated steps through geometrics

Ways spinnin' double Shades of base linin' 97' expedition Disflavored all tha trimmin's, travel light push tha LS on casual nig hts Have you ever puffed tha tallas weed pipe That shit will have you right

I roll dice tryin' to deforce from this cold life Used to sell coke on tha strip now I hold mic And plan soon to pack an vacate so were in Cancun Escape to a cozy estate filled wit mad rooms

Trying to stop too many foul niggaz time to turn it up Push it by the buck and shift gears burn the clutch 'Cause it's like this for these chips I strike swift preciseness Precious jewels a life thats priceless

I payed my dues and through it all I never trade my shoes Cash rules new crews who made the news We all for paper I guess greed is just a second nature Indeed shots an on weed to escalate ya

Some mostly touch along the line crossed up I took tha short cut puffin on blunts bustin' off nuts The night type love dime bitches and night life Casino dice sexy strip dancers and white ice

I seen the movie most of you niggaz couldn't move me Truly it's like a 6-shot Ruger against an Ozzie So bust ya run or cock back bust your gun but I fake none I remain like the sun bless tha strong livin'

Intellect an long vision connects in prison And real niggaz wit recognition So respect the mission volume one Second addition the next dimension Dotted line sign your deposition
