

# Van Vogue

Azealia Banks

Bang, pop, pop, this thin go pow  
Dolce crop top, my play close down  
Those line wedges are way downtown  
Best dressed up, better, you best dressed down  
Oh, it's me, fella, the banji gets out  
All females fledge to bambi style  
Light my wrist up, flexin blaow  
Vamp me up, turn her down  
Amp me up, sugar, it's like mm-ow  
Got the good-good, the yum-yum, wow  
Oh, it's so supple' the ass so round  
Trust, there's no trouble, the kin go down  
Bust your bitch bubble, where's my crown  
Banks, flame hot, Rapunzel style  
Bang, pop, pop, this thin go pow  
Bang, pop, pop, this thin go pow  
If she ain't know, the bitch know now  
It's the one, miss, the cunt is out  
Flip the scripts, so your bitch know styles  
Did that first, but your bitch know now  
Bang, pop, pop, this thin go pow  
Bang, pop, pop, this thin go pow  
If she ain't know, the bitch know now  
If she ain't know, the bitch know now

Boy (boy) don't fill yourself too much on her  
Boy (boy), your friends will laugh at you now, now, now

In that, you been did that, you been with that  
You been-been that, bitch  
But they all forget you when I spin this shit  
Better dance for this and get your skin wet, bitch  
Champ in this, see me mingle dip  
Makin plans to get your little bammer's dick  
If she ain't legit you better send that witch  
If the mens is rich, you better spend that chip  
Better put that M-B, get that, get that banji  
Bitch, you know you never lookin pretty princey  
Pretty princey, pretty pretty princey  
Bitches on the cover look at pretty AB  
Pretty AB, pretty pretty AB  
Damn, little bam, you could get it maybe  
But these bitches always frontin like they in the A-Z  
I'm just doin me but these bitches can't breathe

Hoes on 'em, haters on 'em  
Hoochies on 'em, players on 'em  
Vogues and escalators on 'em  
Hoochies on 'em, flavors on 'em

Gonna sip that sip, and hit that dip  
Damn little bam, you a real bad bitch  
When I twist that hip, and lick that lip  
Damn, where ya man when she look like this  
The men that rich, the rich that rich  
Vans on the Grand, better grip that grip  
If you built like this, you built like this

Dance with it, dance for me
