City of Angels

Will I get the chance to see  
Your sun rise at least just one time  
I'm your NO.1 fan see me  
Posted on the front line  
Clean and clear so fresh  
You clear my stress  
When I feel your scent  
So fly from the rest  
All angels praise your set  
Can't deny that you're just blessed

And I can't think  
Can't sleep 'till I'm on that jet  
And about to land  
So we can catch up on top of the sand  
Just you and I I'll stop all my plans  
Lives so bland but your one kiss  
Is all bliss with the sweetest taste  
Took that leap of faith  
And damn I can't wait  
For the city of angels

Turning out the lights  
Tomorrow I'm coming home  
Cuz baby I'm missing you  
In 24 hours  
Get a taste of heaven  
And together we're standing  
In the City of Angels  
City of Angels  
City of Angels  
City of Angels

Top downtown cruisin'  
Downtown where the blocks blooming  
None in the way we won't stop moving  
Cuz the city is ours  
And we're not losing  
Feel your complexion on my skin  
When I see you face to face  
And to have the chance  
To feel the warmth  
Of your embrace is amazing Grace  
And it feels so good I will never go back  
Staying by your sides my way to show that  
I've been on tour overseas and all that  
International I brought the flow back  
My hearts where home at so put

All that and whatever else  
That you want on the table  
Cuz tonight for sure we gon' get it right  
Right here in the city of angels

Turning out the lights  
Tomorrow I'm coming home  
Cuz baby I'm missing you  
In 24 hours get a taste of heaven  
And together we're standing  
In the City of Angels

Now I'm finally back home

Working all day and night long

Through all the highs  
And lows now I'm finally back home
