

# Drowning

AZIATIX

Got a nice tight grip  
So do I slice the wrist like this  
First and final performance  
Up on that violin  
No encore standing ovation then I'm gone  
Dark blood red in my glass  
I hit the floor  
Shattered I will drown  
In the pool of broken souls  
Not a single memory  
Of when my days were golden  
Either way the finale is  
When the casket makes the grand closing  
To the dirt where I started  
Forget a platinum coffin  
Plant my body in the dirt  
I'll grow a famine for the heartless  
Take me to a lower plane  
Anchors on my ankles tied  
With everything I've gained  
And I'm drowning

And I'm still holding on  
To all my broken dreams  
Shadows from my past keeps trying  
To get the best of me hey  
And I'm still holding on  
When I'm hearing your voice  
I know this is right  
Where I want to be hey  
I'm drowning  
I'm drowning  
I'm drowning  
I'm drowning  
I still keep holding on

Mom's in the kitchen  
Washing dishes with her tears  
Got me fiending for success damn  
I'm wishing it was here  
Ballers on the yachts fishing  
With official gear  
But I can still catch a winner while  
I'm fishing off the peers  
I can eat pride  
But it brings sharp pains  
To my heart  
Veins being humble is hard thang  
Is a product of the earth  
Destined to be cursed  
Life's a bitch can't make this work  
Damn it hurts every time we flirt  
My status minimum worth  
And it won't stop falling  
Them high rollers  
Shot callers hope I don't stop crawling  
My right hand man said

That I have what it takes  
To blow out these candle rappers  
And bring home the sweetest cake  
What a waste

I'm still holding on  
To all my broken dreams  
Shadows from my past  
Keeps trying to get the best of me hey  
And I'm still holding on  
When I'm hearing your voice  
I know this is right where I want to be  
I'm drowning  
I'm drowning  
I'm drowning  
I'm drowning  
I still keep holding on

Forever I want to drown down here  
Nobody else seems to care  
Please don't make a sound  
It's all about me right now  
Why the hell am I here for  
Why the hell am I here for  
Tell me now  
Tell me now  
I'm still holding on  
To all my broken dreams  
Shadows from my past  
Keeps trying to get the best of me hey  
And I'm still holding on  
When I'm hearing your voice  
I know this is right where I want to be  
Yeah eh eh eh  
I'm drowning  
I'm drowning  
I'm drowning  
I'm drowning  
I still keep holding on
