

# Falling

AZIATIX

They say I'm bound to fall  
But I'm all gravy cuz I'll be on top of ya'll  
Flooded pockets take my fam' to see the waterfalls  
I roll the 5, 6 after Dwayne's Carter 4  
1, 2, 3 seconds later you're gone  
You will see what I mean, Golden Eye my word is Bond  
I'ma I'ma spark it, and we gon' hit the market  
I stack the chips and cheese we munching out in the Ritz Carlton  
Huddle up? I'll blitz the target  
I'm never going under  
I swing the mic jack, Jack you're looking like lumber  
A Game, Mayday, you're just another number  
Weatherman, you make it snow that's when I bring the summer, yeah  
Girl, there's no need to be stressing  
I'll get you that solid diamond rock but I ain't popping no question  
'Cuz I was stuck local, and now we blowing global  
Coming coming down from the heavens like an angel when I approach you and I'  
m

Falling, falling, falling  
(But I will never fall off)  
I said I'm falling, falling, falling  
(But I will never fall off)  
Even if I'm falling, falling, falling down  
(Down, down, down)  
(Down, down, down)  
I said even if I'm falling, falling, falling down  
(Down, down, down)  
(I will never fall off)

So high 5 4, I will land on cloud nine  
Hip hop, tick tock, clockworks about time  
That I make my mark, Jordan off the foul line  
Illuminati go down the potty, got me? This world is mine-o-mine  
You haters must be kidding me, kidding me  
I'm sipping Merlot, kicking it like Pirlo down in Sicily  
Ronaldo to the toe I go, I score that goal, victory  
Player for the rest of my career, f all the referees  
Cash crop, celery, I'm flowing like water  
No excuse, I get it in, forget that woulda, shoulda, coulda  
Be still and listen, Buddha, when I spit rappin' like Rutgers  
Hooters, Peter Luger's, no time to beef with you losers  
And that's the way it is, everyday's the biz  
I follow my passion which means I'm getting paid to live  
Yeah, I'm talking 'bout some cribs, minus the bars and raise some kids  
Morning cig' while on the toilet, I be on that, I be on that shhh

And I'm falling, falling, falling  
(But I will never fall off)  
I said I'm falling, falling, falling  
(But I will never fall off)  
Even if I'm falling, falling, falling down  
(Down, down, down)  
(Down, down, down)  
I said even if I'm falling, falling, falling down  
(Down, down, down)  
(I will never fall off)

Party people hands up  
Tonight, it's going  
Down, down, down  
Down, down, down  
It's a brand new day  
We gon' do it our way  
It's going  
Down, down, down  
Down, down, down

(Even if I fall I'll make it rain, yeah)  
(True to the game, I'll never change, yeah)  
(Whether the money or the fame, yeah)  
(Even if I'm falling down)

And I'm falling, falling, falling  
(Even if I'm falling down)  
I said I'm falling, falling, falling  
(Even if I'm falling down)  
Even if I'm falling, falling, falling down  
(Down, down, down)  
(Down, down, down)  
I said even if I'm falling, falling, falling down  
(Down, down, down)  
(I will never fall off)
