

Don't have the words to say  
But baby I'm goin' away  
I took another road ahead  
And I'll be so far away

Gonna fly to where my water's sky blue  
Martini, Margaritas on the beach  
Yeah, now's the time to party the night through  
Not you girl no one but me

It was nice to greet you,  
And it was nice to meet ya  
But I know that I'm off the hook  
I'm fishing for another keeper  
I'll delete ya, never reach ya girl  
I'm done with putting you on,  
On never call you again 'cuz  
I'm gone with the wind for the kid  
It's time to move on, on

Baby I don't mean to be cliché  
But it's not you girl but me  
Still got a lot of player left in me  
So I'll be on my way

Babe I gotta GO GO baby roll..  
Adios and I'm out the door  
Babe I gotta GO GO baby roll..  
Can't go on playin' you no more

Gonna go far away  
Babe I'm goin' far far away

Babe I gotta GO GO adios..  
It'll never be the way it was before

Gonna go far away  
Babe I'm goin' far far away

Too many times have I lost control,  
And now I'm steady walking out the door  
And it's only right for me to let you know,  
I'm gone.. on the next jet to a set  
Where I don't need nothing planned and  
Party it up with all I can, with all my will  
With all I am

Sometimes lovers need a holiday  
And that's just the way it is,  
I see the stars align, we're ready to go  
Show you that the world is ready for me (yeah)

Babe I gotta GO GO baby roll..  
Adios and I'm out the door  
Babe I gotta GO GO baby roll..  
Can't go on playin' you no more

Gonna go far away  
Babe I'm goin' far far away

Babe I gotta GO GO adios..  
It'll never be the way it was before

Gonna go far away  
Babe I'm goin' far far away

Gonna fly to where my water's sky blue  
Martini, Margaritas on the beach  
Yeah, now's the time to party the night through  
Not you girl no one but me

That's right, it's time for me to party it up  
And it ain't starting with us  
Just me and the team overseas  
We're going off the club  
I said, I'm going g-g-going gone g-g-gone  
I said, I'm going g-g-going gone g-g-gone

Babe I gotta GO GO baby roll..  
Adios and I'm out the door  
Babe I gotta GO GO baby roll..  
Can't go on playin' you no more

Gonna go far away  
Babe I'm goin' far far away

Babe I gotta GO GO adios..  
It'll never be the way it was before

Gonna go far away  
Babe I'm goin' far far away

I don't have the words to say..  
Baby I'm goin' away..
