

Sneakin' Around

B.B. King

Well hello, pretty baby,
I just called to say that we're thru
Because I'm so tired of sneaking around with you
I wanna meet you in the sunlight,
not in a secret rendezvous
Because I'm so tired of sneaking around with you

Oh, you never, you never be meant to be mine,
oh, I was just too blind to see
Oh, but I got my pride, so why should we hide,
when you light this, we'll be free
Oh I love you, you know I love you,
oh, and I wanna tell the world, I do,

Oh, I'm so excited, think about you all the time
Yes I can't wait to see you baby
You really best of my mind,
You're so fine, wanna hold you all the time

Oh, when you touch me baby, tears of joy I'm crying
Oh, when you hold me, chills run up and down my spine
You're so fine, think about you all the time

Yes, I'm so excited, I met peace with the world
Oh, can this love be real?
I'm talking about my new, new love
You're so fine baby, wanna love you all the time

Hey, I'm so excited, don't know what you're doing myself
Oh, I'm so happy baby, don't need nobody else
You're so fine baby, think about you all the time

Yes, when I look in your eyes, you put me in a trance
Oh, I just shake all over baby, I fell like I wanna dance
You're so fine baby, wanna hold you all the time

How can this be a dream, can this really happen to me?
Oh, I surely loved at last, seems like a fantasy
You're so fine baby, wanna hold you all the time

Oh, I thought I've been in love, so many many times
Oh, but this new love, has really messed up my mind
You're so fine, think about you all the time

You're so nice and lovin', everything you do it right
I just can't wait, I can't wait baby
Can't wait for you hold me tight
You're so fine, wanna hold you all the time I'm so tired of sneaking around with you
Oh, I'm so tired of sneaking around with you
Oh, I'm so tired of sneaking around with you
