

Something You Got

B.B. King

Something you got, baby
You oughta know
Something you got, baby
I wanna tell it everywhere I go
Something you got, baby
Oh I wanna know
I said my, my, oh, oh
I love you so

Something you got, baby
Keep me home every night
Something you got, baby
Hey, make everything all right
Something you got, baby
Oh you oughta know
I said my, my, oh, oh
I love you so

My my, oh, oh
I love you so

Something you got, baby
Make me work all day
Something you got, baby
Hey, make me love you in every way
Something you got, baby
Something you got, baby
Oh you oughta know
I said my, my, oh, oh
My, my, oh, oh
My, my, oh, oh
I love you so

Something you got
Mm, baby
What is it, B.B.?
That's me, honey
Oh that's 'cause I love you so
I know
Lord I wanna tell it everywhere I go
Talk about it! Tell'em all!
What is it, B.B.
It's me, honey, it's me! It's me!
Make me come home every night
You better come home every night, or
I ain't gonna like it

You bring home your money
I'll give it all to you
Bring home your honey
I got it all, baby
Oh I love it
I love it, too
Hey, my, my
My, my, baby
Oh, I love you so
I love you so

B.B.?
Yes, baby?
You know I love you
All right, Koko, talk to me
And I don't -
All right
Put nobody above you
You better not, baby. You know I'm a pretty big guy
Yeah, baby
Yeah, talk to me
Oh I like it, baby
I like it, too, baby. Can't have it no other way ...
