

Born Again

B.J. Thomas

Come on, get along
Hang out with the new kids
You were born again today
In a way somehow
In a way somehow
Come on, get along
Take a dance with me
You were born again today
In a way somehow
In a way somehow

Come on, get along
Hang out with the new kids
You were born again today
In a way somehow
In a way somehow
Come on, get along
Take a dance with me
You were born again today
In a way somehow
In a way somehow

Ha-hah-ha-hah
Ha-hah-ha-hah
Ha-hah-ha-hah
Ha-hah-ha-hah

Come on, get along
Hang out with the new kids
You were born again today
In a way somehow
In a way somehow
Come on, get along
Take a dance with me
You were born again today
In a way somehow
In a way somehow

Come on, get along
Hang out with the new kids
You were born again today
In a way somehow
In a way somehow
